PART II

AGENCY TERMS AND CONDITIONS

The parties hereby agree to the following general conditions regarding the expenditure of funds from the Office of the United States Department of Housing and Urban Development:

1. News Media. Any publicity given to the project herein concerned shall recognize the City of Huntsville and the U.S. Department of Housing and Urban Development.
2. Changes. Any changes in the scope of services of the Agency to be performed hereunder by any party hereto, including any increase or decrease in the amount of consideration, must have prior approval from the City and must be incorporated by a written agreement, duly executed, modifying the terms of this agreement.
3. Findings Confidential. All audit findings, reports, studies, and any other information or data prepared or assembled by the Agency under the terms of this agreement are confidential in nature, and the Agency agrees that they shall not be made available to any individual or organization, other than to an agency of the United States Government, without the prior written approval of the City.
4. Termination of Agreement for Cause.
 - A. In accordance with 24 CFR 85.43, if the Agency shall fail to fulfill its obligations under the terms of this agreement in a timely and proper manner, or if the Agency shall violate any of the covenants, terms, or stipulations of this agreement, the City shall thereupon have the right to terminate this agreement by giving written notice to the Agency of such termination, which notice shall specify the effective date of such termination. In such event, all finished or unfinished documents, data, studies, surveys, drawings, maps, models, photographs, and reports prepared by the Agency under the terms of this agreement shall, at the option of the City, become the property of the City, and the Agency shall be entitled to receive just and equitable compensation for any work satisfactorily completed under the terms of this agreement.
 - B. In the event of termination of this agreement under the terms of paragraph 4. A, above, or any other lawful termination of this agreement, the City shall have the right to withhold any payments to the Agency pending determination of compensation due the Agency for work satisfactorily completed.
5. Termination of Agreement for Convenience. In accordance with 24 CFR 85.44, the City may terminate this agreement at any time by giving at least ten (10) days' notice in writing to the Agency. If the

agreement is terminated by the City as provided herein, total consideration due the agency shall bear the same ratio to the total consideration called for in this agreement as the services actually performed by the Agency bear to the services called for in this agreement. If, however, less than sixty (60) per cent of the services required under the terms of this agreement have been performed upon the effective date of such termination, the Agency shall be reimbursed such actual expenses incurred by the Agency which are directly attributable to the uncompleted services required under the terms of this agreement. If this agreement is terminated through fault of the Agency, Paragraph 4 hereof, relative to termination for cause, shall apply.

6. Contractual Noncompliance. Noncompliance with any and/or all part(s) of this contract, grant, loan or agreement, as determined by the City or its representatives, may result in the disallowance of costs ... thereby requiring the immediate payback of Federal funds by the Agency to the City within 30 days of such written determination. This requirement applies not only to the period of the contract, grant, loan or agreement but also for a period of three (3) years after the contract expiration date.
7. Procurement Standards. The Agency shall establish procedures for the procurement of supplies, equipment, construction and other services, with Federal funds. Such procedures shall be consistent with the following:
 - A. No employee, officer, or agent of the Agency shall participate in the selection, award, or administration of any contract in which Federal funds are used, if he, his immediate family, or partner has a financial interest in such contract, or if he, his immediate family or partner has a financial interest in any organization which has a financial interest in said contract. The Agency's officers, employees and agents shall neither solicit, nor accept, gratuities, favors, or anything of monetary value from contractors or potential contractors. The Agency shall provide for appropriate disciplinary action to be taken if any officer, employee, or agent should violate the terms of this paragraph.
 - B. All procurement transactions shall be conducted in a manner to provide, to the maximum extent feasible, open and free competition. Awards shall be made to the bidder or offer or whose bid or offer is responsive to the solicitation, and whose bid is most advantageous to the Agency.

 - I. Proposed procurement actions shall follow a procedure to avoid purchasing unnecessary or duplicate items.

- II. Solicitations for goods and services shall be based upon a clear and accurate description of the technical requirements for the material, product or service to be procured. Such description shall not, in competitive procurement, contain features which unduly restrict competition.
- III. Positive efforts shall be made by the Agency to utilize small business and minority-owned business sources of supplies and services.
- IV. The type of procuring instrument used, e.g., fixed price contract, cost reimbursable contract, purchase order, or incentive contract, shall be determined by the Agency, but must be appropriate for the particular procurement and for promoting the best interest of the program involved. The "cost-plus-a-percentage-of-cost" method of contracting shall not be used.
- V. Contracts shall be made only with responsible contractors who possess the potential ability to perform successfully under the terms and conditions of a proposed procurement. Consideration shall be given to such matters as contractor integrity, record of past performance, financial and technical resources, and accessibility to other necessary resources.
- VI. All proposed sole source contracts, or contracts in which only one bid or proposal is received, shall be subject to prior approval by the City.
- VII. Some form of price or cost analysis should be made in connection with every procurement action. Price analysis may be accomplished in various ways, including the comparison of price quotations submitted, market prices and similar indicia, together with discounts.
- VIII. Procurement records and files for purchases shall include the following:
 - a) Basis for contractor selection or rejection;
 - b) Justification for lack of competition when competitive bids or offers are not obtained;
 - c) Basis for award cost or contract price;
 - d) Rationale for method of procurement; and
 - e) Selection of contract type.

8. Property Records. A record shall be maintained for each item of non-expendable property required for the program. Non-expendable property is property which will not be consumed or lose its identity by being incorporated into another item of property, which costs fifty dollars (\$50.00) or more per unit and which is expected to have a useful life of one year or more. Grouping like items such as chairs, with an aggregate cost in excess of fifty dollars (\$50.00) shall also be controlled and accounted for as non-expendable property even though the cost of a single item is less than fifty dollars (\$50.00). The record shall include; (a) a description of the item of property, including model and serial numbers, if applicable; (b) date of acquisition; (c) the acquisition cost or assigned value to the program; and, (d) location of the item.
9. Compliance with Laws, Rules, and Regulations. The Agency shall comply with all applicable laws, ordinances and Codes of the Federal, State, and local governments, including, but not limited to compliance with the following:

The Agency shall make known that the use of the facilities and services is available to all on a nondiscriminatory basis. For purposes of this section, "Program or activity" is defined as any function

conducted by the Agency, or by any unit of government or private contractor receiving Community Development funds or loans from the Agency. "Funded in whole or in part with Community Development funds" means that Community Development funds in any amount in the form of grants or proceeds from HUD guaranteed loans have been transferred to the Agency and disbursed in a program or activity.

B. During the performance of this project, the Agency agrees as follows:

- I. The Agency will not discriminate against any employee or applicant for employment because of race, color, religion, sex, national origin or age. The Agency will take affirmative action to ensure that applicants are employed, and that employees are treated during employment, without regard to their race, color, religion, sex, national origin or age. Such action shall include, but not be limited to the following: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The Agency agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.
- II. The Agency will, in all solicitations or advertisements for employees placed by or on behalf of the Agency; state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, national origin or age.
- III. The Agency, if applicable, will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice to be provided by the Contract Compliance Officer advising that the said labor union or workers' representatives of the Agency's commitment under this section, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.
- IV. The Agency will comply with Executive Order 11246, entitled "Equal Employment Opportunity", as amended by Executive Order 11375, and as supplemented in Department of Labor Regulations (41 CFR, Part 60).
- V. The Agency will furnish all information and reports required by Executive Order 11246 as amended by Executive Order 11375 and as supplemented in Department of Labor

Regulations (41 CFR, Part 60), or pursuant thereto, and will permit access to its books, records, and accounts by the Secretary of Labor and the Department of Labor for purposes of investigation to ascertain compliance with such rules, regulations and orders.

VI. In the event of the Agency's noncompliance with the nondiscrimination clauses of this agreement or with any of the said rules, regulations, or orders, this agreement may be canceled, terminated, or suspended in whole or in part, and the Agency may be declared ineligible for further Government contracts or federally-assisted construction contracts in accordance with procedures authorized in Executive Order 11246 as amended by Executive Order 11375 and as supplemented in Department of Labor Regulations (41 CFR, Part 60).

VII. The Agency will include Section 10.A. "Nondiscrimination" and the provisions of paragraph 10.B.(1) through 10.B.(7) in every subcontract unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to Section 204 of Executive Order 11246 of September 24, 1965, entitled "Equal Employment Opportunity" as amended by Executive Order 11375, and as supplemented by Department of Labor Regulations (41 CFR, Part 60), so that such provisions will be binding upon each subcontractor or vendor. The Agency will take such action with respect to any subcontract or purchase order as the City may direct as a means of enforcing such provisions, including sanctions for noncompliance: Provided, however, that in the event the Agency becomes involved in, or is threatened with litigation with a subcontractor or vendor as a result of such direction by the City, the Agency may request the United States to enter into such litigation to protect the interest of the United States.

11. "Section 3" Clause. Every contracting party, contractor, and subcontractor shall incorporate in all contracts for work in connection with a Section 3 covered project, the following clause (referred to as a Section 3 clause):

A. The work to be performed under this contract is on a project assisted under a program providing direct Federal financial assistance from the Department of Housing and Urban Development and is subject to the requirements of Section 3 of the Housing and Urban Development Act of 1968, as amended, 12 USC 1701u. Section 3 requires that to the greatest extent feasible, opportunities for training and employment be given lower income residents of the project area and contracts for work in connection with the project be awarded to business concerns which

are located in or owned in substantial part by persons residing in the area of the project.

- B. The parties to this contract will comply with the provisions of said Section 3 and the regulations issued pursuant thereto by the Secretary of Housing and Urban Development set forth in 24 CFR 570.607 and all applicable rules and orders of the Department issued thereunder prior to the execution of this contract. The parties to this contract certify and agree that they are under no contractual or other disability which would prevent them from complying with these requirements.
- C. The Contractor will send to each labor organization or representative of workers with which he has a collective bargaining agreement or other contract or understanding, if any, a notice advising the said labor organization or workers' representative of his commitments under this Section 3 clause and shall post copies of the notice in conspicuous places available to employees and applicants for employment or training.
- D. The Contractor will include this Section 3 clause in every subcontract for work in connection with the project and will, at the direction of the applicant for or recipient of Federal financial assistance, take appropriate action pursuant to the subcontract upon a finding that the subcontractor is in violation of regulations issued by the Secretary of Housing and Urban Development, 24 CFR 570.607 (b). The Contractor will not subcontract with any subcontractor where it has notice or knowledge that the latter has been found in violation of regulations under 24 CFR 570.607 (b) and will not let any subcontract unless the subcontractor has first provided it with a preliminary statement of the ability to comply with the requirements of these regulations.
- E. Compliance with the provisions of Section 3, the regulations set forth in 24 CFR 570.607 (b) and all applicable rules and orders of the Department issued thereunder prior to the execution of the contract, shall be a condition of the Federal financial assistance provided to the project, binding upon the applicant for or recipient of such assistance, its successors, and assigns. Failure to fulfill these requirements shall subject the applicant or recipient, its contractors, its subcontractors, its successors, and assigns to those sanctions specified by the grant or loan agreement or contract through which Federal assistance is provided, and to such sanctions as are specified by 24 CFR 570.607 (a).

12. Community Development funds disbursed by the City to the Agency shall:

- A. Be used only for the purpose of the project.
- B. Not be used to advance funds to any individual or organization, other than for authorized travel advances for travel outside the metropolitan area.
- C. Not be used to advance funds for any other purposes, programs, or activities which are being carried out by the Agency at the same time it is performing services for the City under the terms of this agreement.

13. Requests for Payment. Upon request by the City, the Agency shall submit to the City copies of invoices and/or other source documents supporting all project expenditures outlined in the Request for Payment or Reimbursement.

14. Documentation and Record Keeping.

- A. The Agency shall maintain all records required by the federal regulations specified in 24 CFR Part 570.506 that are pertinent to the activities funded under this agreement. Such record shall include but are not limited to:
 - I. Records providing a full description of each activity undertaken.
 - II. Records demonstrating that each activity undertaken meet one of the national objectives.
 - III. Records required to determine the eligibility of activities.
 - IV. Records documenting the acquisition, improvement or disposition of real property acquired with CDBG funds.
 - V. Record documenting compliance with fair housing and equal opportunity components of the CDBG program.
 - VI. Financial records as required by 24 CFR Part 570.502, and Circular A-110.
 - VII. Other records necessary to document compliance.
- B. The Agency shall retain all records and supporting documentation applicable to a project with the City for a period of three (3) years after the receipt of final payment from the City and after all other pending matters are closed. All such records shall be made readily available, upon request, for inspection or audit by the representatives of the City, the Secretary of the U.S. Department of Housing and Urban Development, and/or the

Comptroller General of the United States. In the event of the Agency's going out of existence, the records relating to the City project will be turned over to the City for retention.

15. Subcontracts. None of the work or services included in a contract between the Agency and the City shall be subcontracted without the prior written approval of the City. Any work or services subcontracted will be specified by written agreement and shall be subject to each provision of the agreement between the Agency and the City. Any construction work or services to be subcontracted will be specified by written agreement, only after written approval of the City, and shall be subject to all of the provisions of this "Part II, Terms and Conditions ", which will be made a part of each subcontract.

16. Changes

- A. Budget Revisions - Once a project is implemented, it may be determined that the cost of the line items in the budget should be changed or modified based on realistic needs. In this case, the Agency will prepare and submit a revised budget to the City for approval. Once the revision is approved, a contract change order, which shall constitute a written agreement modifying the terms of this agreement, will be prepared and provided to the Agency to allow deviation in planned expenditures. No deviation in planned expenditures of Community Development supplemental funds may be made without prior authorization by the City.
- B. Change in project Description - After implementation, it may also be determined that the scope of work or services required in the agreement between the City and the Agency are unrealistic. In this instance, the Agency will submit to the City an outline of the suggested change together with adequate justification of the reasons therefore. The City will, after appropriate investigation, determine if the suggested change will best serve the interests of the program. Upon receiving written approval from the City, the Agency may proceed to implement the change and prepare any necessary modifications or alterations to data which are to be supplied to the City in periodic reports.

17. Political Activity Prohibited. None of the funds, materials, property or services provided directly or indirectly under the terms of this agreement shall be used in the performance of this agreement for any partisan political activity, or to further the election or defeat of any candidate for public office, in accordance with the provisions of the Hatch Act.

18. Lobbying Certification. The person executing this agreement on behalf of the Agency certifies, to the best of his or her knowledge and belief, that:

- A.
